

Qattus Verse

This PDF is to test the working of my new PDF feed!

There will be 3 feeds for this podcast:

1) Story only Feed:

This is the "Podiobooks-like" feed, You will get all the MP3s that have story to them, plus any discussion at the start and end of the episode. However you will not get PDFs like this one, or interviews, and other stuff.

2) PDF Only Feed:

This feed will have no audio in it. It will only have PDFs of all the stories / chapters that are released.

3) Master Feed:

This feed will have everything. All chapters in audio and PDF formats, plus any interviews and anything else that comes up (like feedback shows if there are any).
